A Road of Never Ending Delight THROUGH A WONDERLAND OF EVER-CHANGING SCENIC BEAUTY

To the late Summer and Autumn motorist the New Jersey tour offers a rare combination of inspiring scenery. The mountains are in their glory, the countryside at the harvest; while the health-giving pine regions are pungent with the odor of balsam and the seacoast beckons with a charm that lures you on.

The splendid highways thread through the famous beauty spots within the State or close beside its borders. Hotels de luxe, where service, cuisine and the comfort of the guest are paramount features, are always close at hand, providing sumptuous and satisfying stopping places en route.
